

Economic Development Update Cont.

Mixed Use Projects:

Village @ Dimple Dell – This mixed use project will include retail space and 173 residential town homes and condominiums located at 10600 South and 1300 East.

Centennial Parkway Plaza – This project, located at 10105 South Centennial Parkway, right behind Target, will include 40,000 square feet of office and retail space and 30 residential condominiums.

Village @ Park Ave – This mixed use project has just received final site plan approval and will begin construction shortly. Located at 1300 East and 8600 South, the project consists of 40,000 square feet of office space and 228 residential condominiums.

Soccer Stadium Construction

The REAL Salt Lake Stadium is currently under construction. Located at 9400 South and State Street, the project is due for completion in October of 2008. The footing and foundation work is currently being poured along with the steel structure being placed. The 20,000 seat stadium is the first phase of the project. Check out weekly pictures of the construction along with other stadium information at www.rslstadium.com.

Bulk Waste Collection

Sandy City will conduct its Fall Bulk Waste Collection from September 10 through November 16. When dates are finalized for the city, a bright orange card will be mailed to all residences during the week of August 20.

As part of this program, we are asking our residents to place all green waste (tree branches, shrubs, etc) into one pile and all other waste into a separate pile. This will allow us to keep green waste out of the landfill so it can be recycled as either wood chips or compost. In addition, we are asking our residents to place their waste curbside no sooner than 1-2 days prior to the scheduled collection date.

If you have any questions about this program, please contact the Public Works Department at 568-2999.
